

THE NORTHERN & MIDLAND COUNTIES BEAGLE CLUB 53rd CHAMPIONSHIP EVENT
HELD AT THE BRODSWORTH MINERS WELFARE HALL. WOODLANDS, DONCASTER.
15th July 2017....DOG CLASSES.Judge - Patricia Clayton (BARVAE)

May I thank the Officers and Committee for kindly re-inviting me to Judge again for their established Club.

Congratulations must go to the Club's hard working TEAM who provided us with a well organised and friendly Event.

I thought that the quality in my dog class's had improved overall since my last appointment in 2011. Temperaments on the whole was excellent, but handlers will move their charges far too quickly, and must find the correct pace to show off their beneficial stride. Regret "baiting" was causing exhibits to have erratic front movement.

The depth of brisket on the whole was good with firm tight fitting elbows, also good tail sets. Perhaps we should also look at the desired length of neck to enable the hounds to come down easily to scent. It was lovely to observe good defined stops on the head, finally I would have liked to have seen a better turn of stifle to show a better firm driving action.

My thanks to the exhibitors for this quality turn-out for me to go over, and for their sporting acceptance of my decisions I had a lovely day's assignment
